

General Notes

The information depicted on the map represents the results of surveys made on the date indicated and can only be considered as indicating the general condition of that time. Unless otherwise noted on this map, all depths and soundings are in feet and are referred to the International Great Lakes Datum 1985 (IGLD 1985). All horizontal positions are referred to the North American Datum 1983 (NAD83). See the Site Specific Notes area for appropriate datums. To view a color version of this map, point a web browser to <http://www.frp-usace.army.mil/ast/ways/survey/survey.html>.

This drawing was prepared using a CAD system. Scaling may be distorted.
